Membership in the MCHSAA (Maquoketa Community High School Alumni Association) is open to alumni and friends of MCHS. The value added benefit of becoming a member is giving graduates and friends an opportunity to “give back” to their alma mater.

Of course it's a chance to stay in touch and get exclusive Cardinal merchandise; however the purpose is vital to support the continued success of the programs and services of MCHS.

Consider joining a membership level, there's one to meet every lifestyle, including students. Of course all events and the newly formed website will be open to everyone at no charge. Visit the website often to learn of upcoming events and special messages from coaches, teachers, and other administration. Together we can link the past with the future.

“Thanks for considering and welcome home”
